
Fashion for different Body types

Fashion

Your clothing, makeup, accessories, lifestyle, footwear, body and hairstyle this is Fashion and style. Everyone has their own style of carrying themselves. The word Fashion comes from Latin word 'Facere' meaning 'to make'. Fashion keeps changing with day to day trends. In different parts of the world there are different traditional and non-traditional outfits, these dresses usually depend on the cultural and temperature variations like rain, humidity and heat.

Artistic, creative and imaginative what a fashion designer must be, even if they don't have good artistic hands and mind they should have creativity to bring out the best from the clothes it's shades and tones. Fashion: color palette Dress according to Body Type A dress which looks amazing and sexy on a model or an online store and looks awful on you, doesn't mean you don't have a good body or figure it's that dress isn't made for you, because everyone is unique and beautiful in their own way. So let's see what your body type and what dress will suit you the most. Different Body Types An hourglass Draw attention to your waist and work on your curves to highlight it. Avoid wearing baggy clothes as it won't show your curves. Use the correct size of bra, if your busts are large as over-sized or short will show up very easily.

A pear shaped body

This body type is blessed with beautiful shoulders so highlight them using necklaces or scarves. Avoid tight bottoms, go for A-line dresses or flared pants. For the bottoms use dark colors for color blocking with bright tops. An Apple shaped body Your bust is a virtue for you try to enhance that wear belts on bust on waist as that will create more curves. Don't wear tight tops, wear which are layered, or ruffled. Avoid putting on double-breasted jackets. Skinny pants or straight pants are a big NO! , try flared or loose palazzo or pants. Wear prints. A rectangular body shape if your body doesn't have natural curves, create them with your clothes. Wear belts on waist to highlight them. tops, peplum jackets, skirts and dresses will create the illusion of an hourglass shape. I hope you find this article helpful and interesting to read.
